Projects

SPIRAL Jan 2026 - Ongoing
reeserocks.itch.io/spiral

- Solo artist on a long-term 5-person game studio. Leads art direction, look development, brand design, marketing efforts, and UI/UX design. Mixture of low poly 3D assets and clean Figma desktop website mockups to establish a dichotomy between corporate culture and anxious underwater surrealism.

So Long, Long Time Aug 2025 - Dec 2025
reeserocks.itch.io/solong-longtime

- Solo project. Designed a cohesive low poly visual language across 29 assets, 32 textures, animated rigs, and VFX to build a melancholy atmosphere with themes of grief. Self-managed a 16-week production timeline with milestones and Agile stand-up reports, shipping on schedule to itch.io.

Education

B.S. Games + Simulation Aug 2023 - May 2027
Miami University, Oxford, Ohio

- GPA: 3.99 - Honors College.
- Minors: Studio Art, Emerging Technology in Business & Design.
- Study Abroad: Venice, Italy - Art History.

Experience

Design + Make Campus Leader Jun 2025 - Present
Autodesk / Remote / Ambassadorship
