EDUCATION

Miami University

B.S. Games + Simulation. Minors in Studio Art, Emerging Technology in Business & Design (ETBD)

GPA: 3.99/4.0

Worked part-time (22+ hrs/week) across 2-3 jobs every semester while maintaining a full-time course load.

Oxford, OH

Expected May 2027

EXPERIENCE

Autodesk

Design + Make Campus Leader

Remote

May 2026 – Present

- Encourage creativity within my network and promote Autodesk through weekly challenge-prompted social media posts, expanding my LinkedIn connections by 150+ and increasing my post impressions by 75%. In top 14% of ambassadors nationwide.

Miami University

Teaching Assistant

Oxford, OH

Sept 2024 - Present

- Rehired 2x. Assist an introductory web coding class of about 70 students by debugging, grading assignments, and holding office hours.

iD Tech

Game Design Instructor

Princeton, NJ & Cincinnati, OH

May 2025 – Jun 2026

- Teach Unreal Engine 5, Unity, VR Unity, and VR Roblox in a fun & safe camp environment to graduate seven classes of about 8 students per week, each with a fully developed game to take home.

TECHNICAL PROJECTS

SPIRAL

Games + Simulation Senior Capstone

Oxford, OH

Jan 2026 - Present

- Solo artist on a three-semester-long 5-person game studio. Leads art direction, look development, brand design, marketing efforts, and UI/UX design. Mixture of low-poly Autodesk Maya 3D assets and clean Figma desktop website mockups to establish a dichotomy between corporate culture and anxious underwater surrealism. Presented work at departmental ETBD Expo.

Bear-ly Fishin'

ETBD Capstone Course, Study Abroad

London, UK

Jul 2026 – Aug 2026

- Collaborated with 3 teammates to build a functional, accurate, and engaging eye-tracking web game for physical therapy at Birkdale Neuro Physio within 4 weeks. Focused on design thinking, using observational research, informational research, decision matrices, prototype versioning, and 'How Might We?' questions to guide our process.
- Utilized Godot game engine, Adobe Creative Cloud, and Claude/Gemini to optimize coding efficiency.

LEADERSHIP & ACTIVITIES

Eli Lilly Leadership Institute

Cohort XIII

Oxford, OH

Mar 2024 – Present

- Working towards Leadership Certificate through transformational leadership workshops exploring MBTI, CliftonStrengths, etc. Exhibited AI future-focused VR prototype in Spring 2025 departmental Expo and led social media efforts for Spring 2026 vertical development bootcamps.

Alpha Lambda Delta Academic Honor Society

Vice President

Oxford, OH

Oct 2024 – Oct 2025

- Worked with 8-person exec team to plan general body meetings and events, ensured smooth internal operations by communicating with exec and booking meeting rooms, and boosted current member and new inductee engagement.

AWARDS, HONORS & CERTIFICATIONS

President's List (5x recipient), Honors College, Technology First Scholarship (Dec 2025), Autodesk Instructables Animation Judge's Prize (Sep 2025). ICAgile Certified Professional (Credential ID 51-46070- 41d35af5-9711-4fb7-ad37- 1f6607c36037).
